THE ENCHANTMENT OF APRIL — "A SUMMER PLACE"

"A Summer Place" was presented by the Juniors in honor of the Senior Class on April 18, 1969. The air was filled with the scent of white dogwood and spring flowers. Couples danced under a soft blue sky to music by the Escorts. In this peaceful atmosphere, the Seniors formed a flower for the Senior figure and danced to the theme, "A Summer Place". The Class of 1969 gives its grateful appreciation to the Junior Class for a night filled with happiness and memories. "Nothing now is left but majestic memory."

SCHOOL LEADERS SET PACE FOR PATRIOT SPIRIT

The Student Co-operative Association is a vital link between Patrick Henry's administration, faculty, and students. It is the SCA which provides leadership and self-government for the students.

Besides sponsoring the Mock Elections, the SCA members showed their versatility by constructing the Homecoming Queen's float and collecting food for the Christmas mother. A committee was chosen to revise the point system and to introduce an SCA star in addition to the school letter.

The SCA sold "Grumpy Patriot" buttons to raise money for projects. Later in the year, Student Directories were made available to the student body. A Parent-Teacher-Student Workshop was organized, and Career Night was held as a service to the students. SCA representatives collected money for the Heart Fund Drive in the spring.

Hungry students who entered the spaghetti-eating contest soon discovered it wasn't too easy to eat this type of food using chopsticks.

Boys chosen for membership are outstanding in character and service. The club taps both in the fall and spring.

FFA wins "Outstanding Club of the Year" Award.

The FFA was named the most active non-service club at Patrick Henry this year. Out of 200 Chapters, it was rated fifth in the state.

Members of this organization were busy during the year as they competed in local and state contests. These boys entered judging contests in soils, crops and farm equipment and in state and local forestry. They also took judging teams to the State Convention where they won many honors to bring back to Patrick Henry.

The FFA also held their annual Father and Son Banquet and their Fish Fry, which were enjoyed by all who attended. This organization submitted four candidates for the State Farmer degree.

Coach Counts presents Mr. Bradford with a remembrance from the Varsity Club.

The Boys' Varsity Club, sponsored by Coach Counts, began the year off in a big way by honoring the parents of the boys who played football. Each player's mother was presented with a corsage, and the parents were introduced along with the players at Parents' Night at the Manchester game.

The club later sold cushions and opened concession stands during both football and basketball seasons to raise funds for various projects.

Club members work at the concession stand during basketball season.

Homecoming! Thoughts of returning to their Alma Mater filled alumni's hearts. When they came, they found that the Girls' Varsity had prepared a big welcome.

Clubs were asked to decorate a float for each princess to ride in during the parade at half time. Eleanor Stanley was then crowned 1968 Homecoming Queen. The dance, held later in the well-decorated gymnasium, featured the "Gamblers."

Cathy Shelton awaits her turn at half time.

"Patrick Henry wins the first place trophy!" The scene: Ashland Rescue Squad Parade in October. Band members, lettergirls, and majorettes cheered together.

Not only did the band defeat area bands in the parade, but they served Patrick Henry well during the year. Each home football game featured a well-practiced half time given as a combined effort of the band members, lettergirls, and majorettes. The band also traveled to City Stadium, Petersburg, and Colonial

Heights to support the team.

Patrick Henry was well represented at Band Day at UVa when the entire marching band participated in the half time there. The band also provided music at all pep rallies, PTA meetings, Senior Assemblies, and at Commencement.

The band presented its annual Winter and Spring Concerts with much success. Members attended the District Band Festival, All Regional Band, and All County Band. Mr. Nalls is director of our fine band.

The Patrick Henry majorettes started off their year with a first place victory over many other area schools in the Ashland Rescue Squad Parade in October. They added much to each home football game's half time, and spent long hours of practice so that they could attend all the band's performances—including several away football games and Band Day at the University of Virginia in Charlottesville.

The majorettes add the finishing touch to a marching band of which Patrick Henry can be proud.

The 1969 Patriots had a very successful season with a 5-4-1 record. The team, led by Coaches Counts, White, and Ritchie, scored a total of 176 points, while holding their opponents to only 94. In the Patriots' second game of the season, they thoroughly romped Meadowbrook with an outstanding score of 55-0. After defeating Petersburg, the homecoming game against Prince George drew a record-breaking crowd. The next three games were a little slow, but the Patriots then came up with a tie against arch rival—Lee-Davis. With three losses and a tie behind them, they wrapped up the season with a 48-6 victory against Manchester.

The JV's two wins were against Petersburg and Varina, whom they romped with an outstanding score of 20-0. Next year's team looks rather promising with a large number of freshmen returnees.

VARSITY CHEERLEADERS WIN CHEER

Cheerleaders display their victory trophy!

While the student body was still taking its summer vacation, the cheerleaders began their school year. Each varsity cheerleader went to cheerleading camp where she received instructions on cheering. Practice began for these girls in August; later the girls served refreshments to the football players at summer practice.

The Cheerleaders were present at all the varsity football and basketball games; they attended the track and golf meets and baseball games also. The highlight of the year was the Cheer Rally which was held in March. The girls were the winners in Group A where they were competing against the largest schools of the area.

First row: Janie Hall, Anne Harris, Cathy Shelton, Sally Carlton, Janet Holt. *Second row:* Sherry Axselle, Julie Lindenzweig, Lilia Palmore, Hollis Taylor. Sponsors: Miss Burnette, Miss Alexander.

While most of the student body was at home for the summer, the J.V. Cheerleaders were preparing for the 1969 cheerleading season. Several of the girls went with the Varsity Cheerleaders to camp in Roanoke, Virginia. For many weeks during the summer they came to school to practice so that they would be ready for football season.

The girls elected Anne Harris as their head cheerleader, and Cathy Shelton as the assistant

head.

These girls worked extra hard this year by cheering at all J.V. Football, J.V. Basketball, Eighth Grade Football and Eighth Grade Basketball Games. They also appeared as a group at the Baseball games and Track meets.

They were aided greatly by their sponsors, Miss Burnette and Miss Alexander.

This year's J.V. track team was under the supervision of Coach Counts. With the help of Coach White, boys ran and participated in events with the Varsity track team. This helped them gain some per-

sonal experience. The J.V. team broke nine old records this year. Their progress certainly reflected their hard work!

This year's golf team was directed by Coach Tom Raftery. Although the team was very small, it did a fine job and ended the season with a 6-8 record; in three meets the boys lost by only one point. Coach Raftery felt that the boys played extremely well on their home golf course; one of the highlights of the team's season was a 15-12 victory over Huguenot, the defending state golf champions.

Excellent performances this year were by Tommy Pollard and Paul Severin. Tommy represented his team in the regional meet and, by one stroke, missed a chance to go to the state meet. Coach Raftery said that even though his team didn't have a winning season, he felt that all team members had at least several excellent meets.

While most Patriots were enjoying the remaining weeks of their summer vacation, the boys on the Cross Country Team were working out. During the entire summer, each boy ran a certain distance and kept an accurate record. As a result of their own initiative Mark Bell, Tommy Pumphrey, and Yancey Jones ran over five hundred miles. Other boys on the team ran from two hundred and fifty to three hundred and fifty miles. Because of their hard work, these boys, under the direction of Coach Anderson, had a successful year and ended the season with a 5-3 record.

This year the girls' softball team was a new addition to Patrick Henry's sports program. The team, supported by a large number of enthusiastic girls, was under the direction of Miss Dowdy. Although the team worked and practiced hard, its members played and lost to other more experienced teams. Two near wins against Prince George really excited the girls, and they celebrated with a hamburger and coke at Kelly's. Although it probably never will be the same, the many under-classmen who played are looking forward to returning there for "victory feasts."

Although the Varsity Baseball team ended their season with a 4-12 record, the boys had some very impressive wins. They defeated Manchester and Colonial Heights and nearly upset the entire district. After being stomped by Lee Davis, the team played several excellent games.

This year Coach Lloyd directed the Varsity Baseball team.

This year's Junior Varsity baseball team had several outstanding players. They were David Goodman and Harold Hutchison who had the top batting averages and Steve Usry who pitched an outstanding game against Tucker. Steve caused the Tucker Tigers to make fourteen strike-outs and helped his team to win that 7-0 victory. Gary Wood was the only member to hit a homerun. Coach Louis Flanagan directed the boys this year.

Classes

SENIOR CLASS OF 1969

President—Barry Hopkins; Vice President—Herbert Bryant; Secretary—Cathy Stephens; Treasurer—Yancey Jones; Reporter—Eddie Blanton.

As we the Class of 1969 look back over our years at Patrick Henry, we swell with pride to have been a part of the many accomplishments and activities. Our class has taken an active part in every school activity since the eighth grade and we have done much as a class. Although we did not win Stunt Night as Seniors, we had the thrill of winning second place in both the ninth and eleventh grades. In the ninth grade we sponsored a dance-concert featuring John Bassett that was a great success. Our prom took lots of hard work, but with the participation of almost everyone we were able to present the Class of 1968 with a beautiful and most successful prom. Herbert Bryant and Jane Halbleib were

state officers and we had representatives to both state and national conventions.

Our class anticipated and enjoyed the fun and sadness of Senior Assemblies, the trip to Hanover, Class Day and Awards Assemblies. These activities have made us realize the sorrows and fears we have about leaving Patrick Henry, but they have encouraged us to step into the outside world and face the opportunities of tomorrow.

As we look back over the past five years of our lives, we realize how much they have meant to us, and the memories of these years will stay with us forever. These past years will be golden treasures that no one can take from us.

With the arrival of class rings, juniors displayed an increased amount of school pride. We soon began to see that we were to have many new responsibilities now that we had become upperclassmen. We were faced with PSAT, National Merit Scholarship Exami-

nations, and college boards. After making multitudes of artificial flowers and decorating the gym with dogwood trees and gazebos, we were ready to present a prom with the theme "A Summer Place."

SOPHOMORE CLASS

President—Patricia Leonard; Vice President—Sumpter Priddy; Secretary—Cathy Shelton; Treasurer—Alan Hutchinson.

In the fall the sophomore class proved themselves to be either tops in spirit or simply a group of loudmouths when they placed first in most of the pep rallies. Then in March the sophomores renewed the Shamrock Ball tradition by sponsoring a dance which featured the "Diplomats."

Shawn Cunfer represented his class on Patrick Henry's High School Bowl Team.

The highlight of the year was the two musical skits, "Kids" and "The Trusty Transplant Team," in Stunt Night. They were directed by Sumpter Priddy and Brent Douglas and they received first place honors.

MR. BRADFORD

MR. BRADFORD LEAVES PATRICK HENRY AND

Mr. James Bradford came to Patrick Henry in the fall of 1964. Under his guidance and leadership the school has prospered and grown in many ways. With much previous experience in the field of education, Mr. Bradford was prepared to face any situation and problem that might arise. He saw that every department of the school ran smoothly and kept the school in order.

Mr. Bradford was offered the position of Superintendent of the Buena Vista School System and left Patrick Henry in December.

MR. TURNER

IS REPLACED BY MR. TURNER

When Mr. Bradford left, Mr. Alfred Turner, formerly head of the Guidance Department, was appointed principal. When the student body returned from Christmas Vacation, they had a new principal. Each student has found him to be a friend ready to help at any time with any problems that might arise.

With his new job, Mr. Turner has found an increase in responsibility, but he has accepted it with enthusiasm and vigor.

MR. DURHAM HAS RESPECT AND ADMIRATION OF EVERY P.H. STUDENT

Mr. Durham talks with Coach Cobb at a J.V. Ball Game.

As Assistant Principal at Patrick Henry, Mr. Durham has a very time consuming job. He not only does the office work, keeps the records of the school buses, and tends to problems of students and teachers, but he is also the athletic director of the Patrick Henry Sports Department. Mr. Durham has shown an interest in his job by attending every game.

SECRETARIAL STAFF IS ALWAYS GLAD TO GIVE AID AND HELP

Where is the place to go when you need first-hand information? The obvious answer is "the office." Here the secretarial staff, Mrs. Bumpass and Mrs. Pike, perform diligently the many duties assigned to them. They are always happy to assist the student and teacher in any way possible.

During the long hours of an average school day, they make appointments, answer telephone calls, and handle important mail, as well as keep records up to date and mimeograph papers.

Mrs. Bumpass performs one of her many duties as secretary.

Mrs. Pike checks school registers.

GUIDANCE DEPARTMENT AIDS EACH STUDENT AT PATRICK HENRY

MRS. PUGH, Head of the Department.

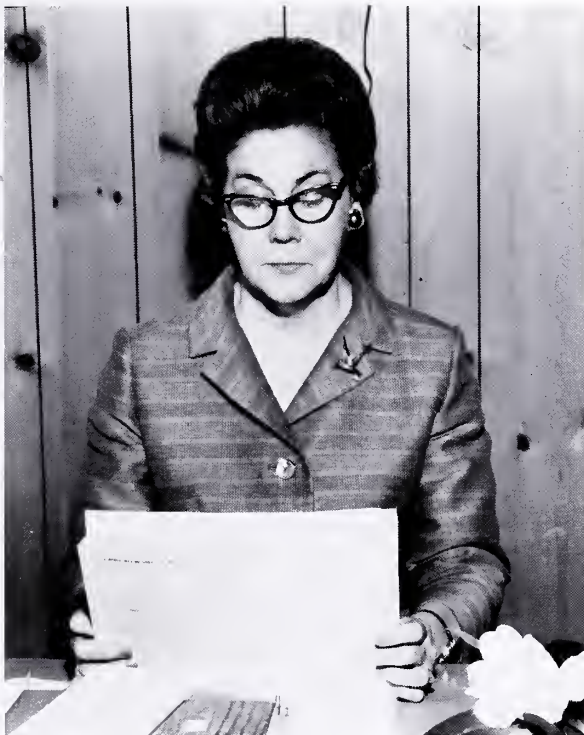

One of the busiest places in our school is the office of each guidance counselor.

Mrs. Pugh shows a deep concern for each Senior coming to her with a problem, and willingly helps each decide on his career. Always patient and understanding, she is forever comforting those receiving word from colleges. Likewise, Mrs. Wetsel, our newest guidance counselor, performs her tedious job of counseling the tenth graders with a quiet business-like attitude. With a cheery smile, she always finds time to welcome those coming to her for advice.

Our Guidance Department would not be com-

plete without Mrs. Campbell, who aids the ninth and eleventh graders in deciding what courses they should take and the kind of curriculum they should follow.

After a student has been to his guidance counselor, he understands several factors about himself, the kind of person he is, and the kinds of talents he has. Providing each individual with this encouraging information, our counselors help the student to become a better citizen in his home, school, and community.

ART SHOWS ARE PRESENTED FOR THE PUBLIC

The presentation of two Art Shows was the main project of the Art Department this year. One was held at Azalea Mall; the other was at the Rockville Community Center. Both were complete successes.

People admire the work at the Azalea Mall Art Show.

Brad Camden works in art class on a drawing.

Mrs. Turner's Sophomore English class seems to have a real interest in what is happening at the front of the room.

TRIPS ARE TAKEN TO SEE SHAKESPEAREAN PLAYS

In November many of the English classes went to see the Shakespearean play, "Othello" at the West-hampton Theatre in Richmond.

The Creative English class took several trips. They went to the movie, "Romeo and Juliet" when they were studying Shakespearean drama. They heard John Siardi speak at Randolph Macon and John Dospasos

at John Marshall High.

Miss Alexander added variety and interest to her class by assigning creative projects instead of the usual written reports. Students made castles, armor, guillotines, etc. during their study of Medieval Lit-erature.

The Business Department is one of the largest at Patrick Henry. With the subjects offered by this department, boys and girls can prepare to leave high school and find good jobs. Vocational office training is offered to advanced students. It gives these students valuable on the job training while they are still attending high school. Typing, bookkeeping and shorthand are all offered in advanced courses to help the students become more skillful.

Typing students work diligently on typing drills!

DISTRIBUTIVE EDUCATION

MR. JAMES BECK
Richmond Professional Institute

The Distributive Education Department was formed at Patrick Henry three years ago. Its purpose has been to train students how to get along in the business world. Students take D.E. as a class, and when they become Juniors and Seniors they are allowed to work two periods of the day for practical experience. It is very important that these students do a good job in their work because once every six weeks their employers make a report to the school to show how the student has progressed and what type of employee he or she is. This is wonderful experience for the students as it allows them to get better jobs when they complete high school.

When eighth grade girls bought their gym suits at the beginning of the year, there was a surprise for everyone. Instead of the traditional white gym suits, there were bright royal blue ones. This added new interest to the class, and the girls liked the change in color.

Boys and girls were required to take several lessons in rifle safety. Every student had to take a test, and if they passed it, they were awarded a badge for rifle safety.

In May the Home Economics Department presented its Fashion Show. Each girl modeled the garment that she had made at school. Outfits displayed included skirts, and blouses, dresses, suits and coats, and formal gowns.

New equipment had been purchased for the department at the end of the year. Two new stoves and a new refrigerator were put in one of the kitchens; several new sewing machines were also bought.

The Home Ec. IV girls took a trip to a furniture store in Richmond to study various styles and makes of furniture.

VOCATIONAL AGRICULTURE DEPARTMENT

164 MR. HARVEY SEAL
Virginia Polytechnic Institute

Whenever something is in need of repair, who do the students and teachers turn to? It is the Vocational Agriculture Department! The boys in these classes built voting booths for the Mock Elections and kept each room equipped with a podium. They performed various jobs to help the other departments in their work.

Mr. Seal, the head of the department, retired at the end of this year after more than forty years of dedicated work in the teaching profession.

MR. CARLTON HALL

INDUSTRIAL ARTS DEPARTMENT FEATURES MECHANICAL DRAWING

MR. WILLIAM COUNTS
University of Virginia

Mechanical Drawing is the main subject taught in the Industrial Arts Department. It is offered in two classes, first and second year. The students make drawings of objects such as bridges and buildings. One of the classes did a project in which each student drew a map of Hanover County. This assignment provided a challenge for many.

MUSIC DEPARTMENT ADDS RHYTHM AND BEAT TO PATRICK HENRY

MR. DAVID STENTZ

MR. CARL NALLS

The main projects of the music department were the presentation of two concerts. One was held at Christmas in Compton Gymnasium; the other was at Easter in Webb Auditorium. The versatile band acted as a concert band at these events and a marching band at area parades and football games. The Liberty Singers, a group of girls from the chorus, sang at various churches during the year.

As the 1968-1969 school year draws to a close and the Seniors travel from Patrick Henry for the last time, there are many things that each student holds as a dear memory of Patrick Henry High School. Things have not always been as you wanted them to be, but all things have many times worked together for the good.

Now as you go your separate ways, not knowing if sorrow or happiness will cross your path, hold the thoughts of the days spent at Patrick Henry as the happiest of your life. Turn to this rambling structure which houses the best of students and adults and simply say, "Thanks for the memory."

To a wonderful group
